**We are updating your Deposit Account Agreement**

We will update the Electronic Funds Transfer Service Terms in your agreement for business accounts effective March 22, 2015, to cover how you can use an eATM (formerly known as Express Banking kiosk) located inside a branch lobby during the branch operating hours:

- Each signer can withdraw up to \$3,000 each day. Business Associate card limits remain the same.
- At certain Chase eATMs, you or an authorized signer will be able to provide us personal identification that we accept, such as a driver's license. Our branch employee will then give you a temporary, one-time code so you can have full use of the eATM.
- All other withdrawals at eATMs count towards your daily ATM withdrawal limit.

These changes will happen over several months, so you should ask an employee in your branch if the eATM has been updated with these changes.

For a copy of your agreement, you can view it anytime by logging in at chase.com and clicking Legal Agreements and Disclosures at the bottom of any page, or visit a branch. If you have questions, please call us at the telephone number listed on this statement.
